KACIE

Kacie takes an intensive course in leather, rubber and dildos – and discovers she's a natural! "I never thought I was kinky," the Razzle fave chirps, "until I got into these wicked lace-up boots. I just wanted to drive a big cock up me. Luckily a plastic one was on hand for me to test out. I can't wait to handle the real thing though!" Oops, look's like our big end's gone again!

THE SHROPSHIRE LASS!

With her 40th birthday approaching, my wife Sally was dead worried about losing her figure and sex appeal and whatnot.

My friend Paul and I decided to give her a birthday treat to set her mind at rest.

A couple weeks later Sally and I 'bumped into' Paul in the pub. We had a few beers, some laughs and some flirts and had a good night of it.

Come closing time I suggested we should all go back to ours for coffee, and Sally agreed straight away.

Sally sat opposite Paul in our front room as we chatted and her skirt rode high up her waist. Paul was getting a real eyeful of her wet knickers and she knew it.

She went to bed, leaving Paul and I to have a couple more beers. After that we decided it was birthday time – we could tell she was up for it from the funny look she had given us when she went up the stairs to bed.

We undressed and got into bed either side of Sally while she pretended to doze.

Paul immediately began sucking her nipples.

My hand went to her cunt and her lips were soaking wet. She had guessed what was happening and was more than ready.

As I stroked her clit I sensed Paul slipping one finger into her cunt and then another into her tight arsehole. She loved that – always has done.

As we probed her hands she vigorously pulled Paul off. Sensing he was close to cumming, she climbed over him and guided him in.

Not to be outdone, I slid a finger up

her arse as she rode Paul's hard cock. She came in seconds.

Pete flipped her over and pistoned in and out of her before flooding her hot cunt with his spunk. Eager to add my load, I frantically pulled at my hood until with a grunt I came all over her tits!

FIREWORKS TONIGHT!

A few months back, after a great fuck, my boyfriend demanded I get naked apart from my black boots, don a coat and go for a walk.

It was Bonfire Night and there were lots of people coming and going. I felt quite nervous and extremely cold.

The only part of me that wasn't cold was between my legs. It was wet and I had a warm throbbing sensation as we walked hand in hand.

It wasn't long before Paul was leading me up a dark alley between two houses as fireworks exploded all around us.

He undid the bottom two buttons on my coat and forcefully separated my smooth legs until they were wide enough for him to finger my freshly shaven pussy.

My pussy was so wet his finger slid inside me with ease. I was so excited I reached down to touch the bulge in his trousers.

I wanted his cock right there and then. We were kissing passionately, and I was very close to cumming when Paul suddenly stopped. "Don't move, someone is watching us from the bottom of the alley," he whispered in my ear.

I didn't care, I was about to cum. I moaned, ignored him and kept on kissing him. The stranger began to walk up to us, though I was oblivious.

Paul was fingering me faster and faster.

He completely undid my coat and

We've still got a few lurve lessons we could learn... like just how do you get a bra off one-handed, why girls are always going to the loo together and what on earth can we think about to stop us blowing our load in our pants when bouncing on the sofa with four naked models at the Christmas party. Kim might be just the teacher to drum some sense into us. "I use the carrot and stick method," she grins. "Both of them on you!"

"When I'm in the mood, I think I really would fuck anything with a pulse," admits Razzle girl Katie K. "Girls or boys – if you get in my way, I may have to jump on you and take off all your clothes! It's like a girl's time of the month – but in a good way!" So why the nurse outfit, Katie? "I think nurses do such a difficult job with a wonderful smile. Even when they're dealing with dirty, difficult men, they soldier through! I think I can learn a lot from them. Now get off me, you dirty old sod!"

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

Where is the strangest place you've had sex?

I work as a lifeguard at my local pool. It is part of a leisure centre where they have a kiddies' pool, gym, sauna, steam room, Jacuzzi – the lot. There's this guy who works in the gym called Seb who I get on really well with. So well, actually, that we quite often fuck each other.

If we're both working the late shift, we have to lock up and we make sure we are the last to leave. Then when everyone else has gone we stay behind and have a bit of fun. We've fucked pretty much all over the place. We haven't done it in the sauna, though – I'm up for it but Seb reckons his knob would explode.

One time we did it in the gym itself. We made sure we were alone and locked up. Then Seb led me into the gym and started kissing me. His hands were all over me and he whipped my top off, exposing my lacy bra and tanned tits.

He unclasped my bra and yanked my shorts down. Then he sat in a chair while I bent over in front of him and peeled off my skimpy G-string. He pulled his cock out of his shorts and started wanking while I ran a finger up and down my slit.

Then he buried his face between my arse cheeks and started tonguing my cunt out. I pushed my arse back on him, encouraging him to probe his tongue right inside me. I moaned with pleasure as his tongue then squirmed against my arsehole. Then he stood up and pulled his shorts right down.

He spread my lips with two fingers and proceeded to sink his dick into me. I took my weight on my hands as he grabbed my hips and fucked me hard, his shorts round his ankles. He lifted my legs up and fucked me in the wheelbarrow position. All the blood ran to my head, heightening to my head, heightening my thrill.

Then he picked me up and led me to one of the machines, the Pec-Dec. He sat on the chair and I straddled him. I took hold of the metal bar above my head and started riding his cock like my life depended on it. I was bucking and thrusting like mad, using the bar to support myself while Seb grabbed hold of the arm supports for dear life.

After I'd had a big orgasm, Seb lifted me up again and took me to the rowing machine. Again he sat on the seat and I lowered myself onto his rigid cock. When I was on, he started sliding the seat backwards and forwards. He used his legs to control the pace at which we rocked back and forth on the machine.

Then he slid a finger in behind me and eased it inside my spread arsehole. I squealed in ecstasy as he fucked my cunt and fingered my arse in unison. I told him I wanted to feel his cock in my arse, so he bent me over a weights bench and eased his cock inside my tight little arsehole.

He drilled my arse for just a couple of minutes in front of the full-length mirrors before pulling out and shooting his load all over my arse cheeks.

After that energetic fuck session we got cleaned up together in the shower and then had a relaxing sauna. Most jobs have a perk or two, but having a fi t bloke to fuck whenever and however I wanted more than made up for having to fish the occasional turd out of the pool!

What gets your cunt juice flowing?

My boyfriend! I've only been seeing him for a couple of months. You know what it's like when you first start seeing someone – you think they're the best thing since sliced bread and you're fucking each other like rabbits. Anyway, his name's Rob and I met him in the pub where I work.

I was pulling a pint when I noticed this bloke walk in the door. He was short and stocky, and the reason I noticed him was because he had this ridiculous mullet hairstyle.

I thought nothing of it until later on when I got chatting to him. He was quite cute, but I couldn't fancy anyone with a mullet and I told him so.

FESSIONS

The next night he came in with a shaven head and looked well fi t. We had a lock-in that night and I made sure he stuck around. I went over and sat with him and we slowly got drunk together. Inevitably, the chat got quite personal and we got on to the subject of sex. I really fancied him and I was well up for a shag so I started rubbing his leg.

He responded by pulling his stool closer to mine so I could get a load of his cock as well as his leg. It was rock solid and straining against his jeans down his thigh. I could feel that it was long and thick, and I rubbed it enthusiastically.

He had his hand up my tight skirt and was stroking my moistening cunt through my flimsy G-string. I opened my legs as much as I could without anyone seeing so he could just about run his fingertip up and down my slit. I whispered in his ear that I wanted to take him upstairs and fuck him.

We downed our drinks and slipped through the door and up to my room above the pub. Rob was struggling to hide his woody as he lurched across the pub.

Once we got upstairs I bundled him into my room and locked the door. He turned around and pushed me up against it, kissing me deeply and literally tearing my G-string off.

I gasped as he threw the rag of my pants to the floor and roughly yanked my skirt up around my middle. He stood back and stripped his top off and whipped his trousers down. I couldn't wait to get hold of his muscly body and his large fat cock, which stood out big and proud in front of him.

I threw myself to my knees in front of him and took hold of the base of his cock with both hands. I started to slowly wank him off as I flicked my tongue across his helmet, teasing his banjo strings. He moaned his approval as I took his bell-end in my mouth and swirled my tongue all over it, still pulling him off. Then I removed one hand so I could take a load of his shaft deep into my mouth and throat.

I sucked away on his boner, wanking him off with one hand and rubbing his bollocks with the other. He started to pump his cock in and out of my mouth so I gripped him round his thighs and opened my throat, letting him frantically fuck my mouth.

He grabbed the back of my head and told me he was going to cum. He held his cock in my mouth as he delivered his hot spunk, and I worked my mouth up and down his shaft and coaxed every last delicious drop out of him.

As his erection subsided, I took his balls in my mouth and sucked and nibbled on them. Then he picked me up off the floor and carried me to the bed. He lay me back on it and then it was his turn to get on his hands and knees. I lifted my legs into the air, displaying my pink pussy and allowing him to get his face right in it.

He started by slowly licking my slit from top to bottom. Then he held my lips open with his fingers and ran his tongue up and down inside my flaps. I was crying out with pleasure as he started to wriggle his tongue as far inside my cunt hole as he could, pressing it from side to side against my pussy walls.

I was trembling with the force of the orgasm that was growing inside me. When he brought his finger into play and circled my clit with it, I came straight away. He continued lapping at my pussy as I orgasmed, savouring my sweet juices.

He continued working at my cunt, and I felt another climax approaching as the first one faded. As he skilfully stimulated me with his tongue, I started to flick my nub.

This time I showered his face when I came.

He loved that, and slurped at my soaking cunt. When he stood up his cock was as hard as granite again.

He flipped me over on the bed and got me on all fours so he could fuck me from behind standing up. He guided his cock to my entrance and slid it easily home. Rob has got a big fucking dick, but I was so wet and turned on that he nudged it up me all in one go. Once he was in all the way, he started to slam his cock in and out of my foaming gash.

He took a fi rm hold of my hips while he banged me. Then he slid his hands underneath me and tweaked my erect nipples hard and rubbed my tits. He kept telling me what a good fuck I was and what a great tight cunt I had.

As I was about to cum, Rob pulled my head backward by the hair and talked fi lth into my ear. My cunt spasmed around his cock and I screamed aloud as I came for the third time. I'd never had more than one orgasm in a session before, and this guy was blowing my fucking mind!

Then he pulled out, turned me onto my back and impaled me on his cock again.

He lifted me with him as he stood up and I wrapped my legs around his waist. He held me in position and began pumping in and out of me. The veins in his neck were bulging and he was working up a right sweat as he fucked me like a rag doll.

After a few minutes of frantic stand-up fucking, he told me he was going to cum and slammed me up against the wall. He thrust his cock deep into me and held it there as he emptied his salty seed inside me. I squeezed my legs together and worked my cunt muscles, milking his cock.

That was a really incredible fuck and it convinced me Rob was worth hanging on to. Since then we haven't looked back, and we've done all sorts of things I hadn't done before.

In a case of blatant police brutality, we predict you will be battering your cock to within an inch of its life, and perhaps pretending it made a false statement that it called you a pleb, after spending a couple of minutes in the company of these mag shots of Vixen. "I love pretending to be a copper, bossing my man around, and getting him to strip and spread for me," says the very special constable. "He's served three years with me so far and I get him off with my bad behaviour, every single night of the week!" Lucky lad!

CATH

Angelic angle grinder Cath has obviously learned something from Bob Crow, downing tools and taking a "well-earned" break after working for five minutes. She's keen on picking tools up again, as long as they're of the hot and veiny variety. Fancy joining a union with us, Cath? "If that means I can get porked from nine till five I'm up for it. I love builders and blokes who're good with their hands. My boobs and pussy need all the handling they can get!"

Somalian pirates take note – it isn't all about kidnapping tourists and hijacking oiltankers. The British pirate prefers rum-drinking, parrot-fancying, evil cackling and, on shore leave, a spot of fuckaneering with wenches like these three fruity filibusters. "Oooo-aarrrr! We're ready for boarding!" So are we, girls!

LIZZY

In a twisted kind of way, we're sacking the team of Poles who clean our offices and employing the lovely homegrown Lizzy to get her hands dirty. She'll be kept busy all right – as you might expect, an office of pornographers isn't the most salubrious of environments. "It'll be fun cleaning for you lot," she grins. "Just try not to make a mess – try and get it in my mouth!"

FRANKIE

visit www.paulraymond.xxx

Frankie's always giving folks a lift – right into her pussy on the passenger seat of her car. "I should be a minicab driver, the amount of people I pick up in my car. I'd make a fortune! But I just love fucking random strangers, especially if they've got an interesting story to tell, like their wife's just left them, or they're tourists who want to see Britain. I say, never mind Britain, what about these?!"

Like our performance in the sack, American football consists of about three minutes of action and twelve hours of lounging around. For highly sexed MILF Lyndsey, 33, it's the other way round. And she doesn't yell "Touchdown!" when she cums either. "I'd prefer a touch-up!" she giggles, gamely displaying her end zone. The eye black, by the way, is there to reduce the glare from the thousands of shiny readers' cocks now winking, and wanking, at her.

began to suck my breasts.

I was standing with my back to the wall, legs wide open. He fell to his knees and kissed my pussy, gently at first then faster. That was it, I was cumming with a terrific yell. My eyes had been closed throughout and as I shuddered I let my head fall down.

I opened my eyes to see the stranger was standing behind Paul, just staring. I noticed he was holding his cock in his hand.

Paul was still licking my fanny, unaware that the stranger was so close behind him.

Paul stood back up and bent me over so I could not see him.

He then invited the stranger to fill my aching pussy with his cock. It caught me unaware, feeling strange at frst.

He slowly put the tip of his knob on my clit and started to rub slowly and then increasingly quickly until I needed it deep inside me.

I grabbed it and shoved it inside me, then to my surprise Paul appeared at my side. He turned my head towards him and I opened my mouth to receive his juicy cock.

It was amazing. I could do no more than keep sucking. Every stroke the stranger took I gasped and sucked harder till I couldn't hold back any longer.

I felt myself quivering uncontrollably as I began to cum again. Paul must have felt this, as he grabbed his cock and began wanking into my mouth.

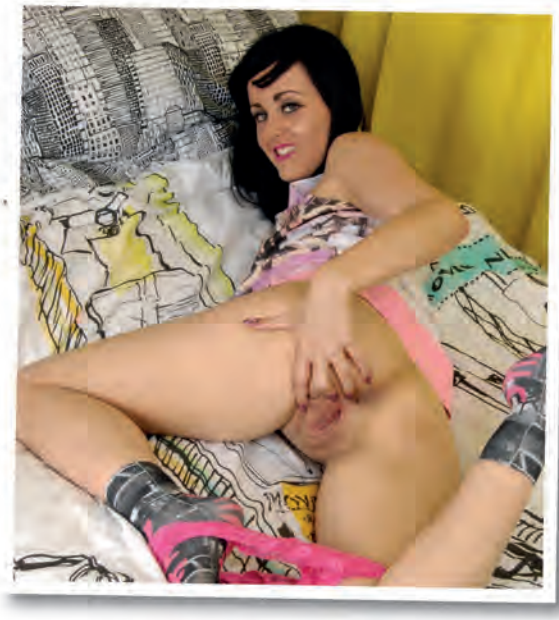
I was so excited I moaned for the stranger to pump me harder. This sent Paul over the edge. His spunk burst into my mouth, sending me wild.

The stranger must have seen Paul cumming because he began to breathe heavily and then withdrew. I felt his hot spunk on my arse.

Paul pulled me close to him and we began kissing once again. The stranger had gone, and Paul and I went home and straight upstairs to bed.

It was there he confessed that it had all gone according to his plan. He said he'd find out if Dave had enjoyed it as much as we had when he went in to work on Monday.

He promised me he'd fulfil one of my fantasies and he was true to his word. I would have preferred more time with them both indoors, though!



SWIMMING POOL!

Ws I When I first knew Natasha four years ago she was very pretty but also very shy. It is incredible what a kinky kitten she has become!

One of our favourite kinky things to do is make love in the open air, especially if there are people around.

One of our recent kinky experiences happened in the summer when we went to a nearby lake to swim and sunbathe – and the rest!

There were quite a few people around, mostly young couples, enjoying the chance to cool off and relax.

As soon as we hit the water, Natasha's free hand started to fondle my dick.

Despite the cold it was rock hard. I paid her back likewise, my hand tracing up her thigh to stroke her pussy.

"I'd like to give you a blow-job, but I think I'd drown. How about you fucking me?" she asked, winking.

Nobody seemed to be taking any notice of us, so I dived under and pulled her bikini pants off.

I could see her white skin under the water and the dark bush over her pussy. I got my cock out, and that was visible too.

Sliding one arm firmly round her waist, I drew her towards me. With a little help from Natasha's hand, I slid inside her.

She bent back her head as I entered her, gave a little sigh, smiled and closed her eyes.

We started to move slowly, to avoid undue attention but also because it was quite an acrobatic task.

My tool glided easily in and out of her hot pussy and she moaned quietly. It didn't take me long to cum, and when I did I buried my cock in her cunt and bit my tongue to stop myself shouting my joy.

We made our way back to the shore thinking we hadn't been seen. We were wrong – two young girls giggled and gave us silent applause as we passed them!

Nothing says "I love you" like a rose out of a plastic bucket, a cheap card with a question mark scrawled in it, or a trip to a swanky sex party. Jasmine is looking forward to the latter on the fourteenth of the month. "Cards and flowers are for kids. I'm going to have a very special, very adult Valentine's night," she pouts. "I won't be looking for romance, just lots of hard cocks and sexy ladies' arses. I'll be feasting on them all night long!"

Fuck-tastic

THE PERFECT WIFE - MARC DORCEL

Starring: Megan Rain, Nikita Bellucci, Ariel Rebel, Mina Sauvage & Samantha Bentley.

Megan, a young American woman, comes back to Paris to meet her husband Ricky after a long stay abroad. Ricky has some very strange manners. To celebrate their reunion, he invited another man in. Held with a leash like a little pet bitch, Megan will gladly play the role the two men gave her and will show them that she can be very obedient, even more so with a dick in each hole. On her husband's request, Nikita started the evening by wandering in the streets only dressed in her most beautiful lingerie and high heels. On the way back to her apartment, she discovers that her husband had invited two friends. Without a word, she surrenders to their most perverse desires for the night. Pleasure is even better when it's shared. Megan, Ariel, Nikita and Mina will experience it through five hardcore and intense stories. Between seduction and domination games, they will discover sensations they didn't even know existed.
